

DHYANA

CAREER OBJECTIVE

To harness my expertise in programming, AI-powered solutions, and leadership to develop innovative, user-centric technologies that simplify processes and drive organizational success. With a strong commitment to continuous learning, adaptability, and collaboration, I aim to contribute to impactful projects that blend creativity and efficiency while fostering growth and excellence.

PROJECT DETAILS

• "ATOM AI ASSISTANT"

Description: Developed a Python-based AI assistant, integrating NLP, voice recognition, and automation to streamline tasks and enhance user interaction.

• "RESUME BUILDER"

Description: Simplifies resume creation with customizable templates, real-time previews, and PDF download for students and professionals.

• "IOT ON FIRE ALERTING SYSTEM USING ARDUINO AND SIM900A"

Description: Cost-effective fire detection system utilizing Arduino for flame sensing and SIM900A for call alerts, enhancing fire safety.

• "MILK DAIRY MANAGEMENT"

Description: "Streamlining dairy operations, this guide shapes a robust Database Management System for Milk Distributors, ensuring swift data access and scalability for widespread adoption."

• "CATCH A COPY"

Description: A project facilitating online xerox services, streamlining processes and saving time and money for users.

ACHIEVEMENTS

- **Event Maestro:** Orchestrated BCA Department events with precision.
- **Leadership Luminary:** Spearheaded impactful initiatives for community service.
- **Philanthropy Enthusiast:** Devoted volunteer for Youth for Seva and #GIVEBACK Foundation.
- **Entrepreneurial Insight:** Attended Yuva Ticon-2022 for cutting-edge entrepreneurial trends.
- **Marathon Maven:** Core team member for Bangalore's largest 2022-2024 marathon event.
- **Workshop Facilitator:** Led student development workshops on AI tools and technologies at various colleges to enhance skills and innovation.

Demonstrates excellence in event coordination, leadership, community impact, entrepreneurial insight, and organizational proficiency.

ACADEMIC EXPERIENCE

- **Masters of Computer Applications** | Seshadripuram College, Tumakuru | (2025)
- **Bachelor of Computer Applications** | Seshadripuram College, Tumakuru | 68 % | 2023

CERTIFICATION

- Certification in **ETHICAL HACKING** in Z-Security
- Certification in **SQL** in S-Spiders
- **Machine Learning** for Beginners in Simpli learn
- Introduction to **Artificial Intelligence** in Simpli learn
- **Power BI** for Beginners in Simpli learn
- Applied **Generative AI Certification** in Infosys Springboard
- **Java Full Stack** in Atas
- **Google Cloud** Badges
